

## Cosy Cove specification

Designed for the modern office, James Tobias **Cosy Cove** gives staff the flexibility to meet, work and collaborate in a creative environment which is worlds away from a stuffy boardroom.

Finished with premium fabric and available in a wide range of colours, Cosy Cove is the perfect addition to a creative workspace and a contemporary way to liven up traditional 'corporate' settings. It can be incorporated into any run, allowing you to create an entirely bespoke and flexible working environment.
